بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

إِنَّ الْمُصَّدِّقِينَ وَالْمُصَدِّقَاتِ وَأَقْرَضُوا اللَّهَ قَرْضًا حَسَنًا يُضَاعَفْ لَهُمْ وَلَهُمْ أَجْرٌ كَرِيمٌ

"Indeed, the men who practice charity and the women who practice charity and (they who have loaned Allah a goodly loan - it will be multiplied for them, and they will have a noble reward."

Al Quran (57:18)

THE PATIENT BENEVOLENT SOCIETY (PBS) of SHEIKH ZAYED MEDICAL COMPLEX (a charity based self-initiative of doctors and medical students), has been working with selfless devotion to ease the plight of suffering humanity at SKZ. It aims to fund treatment of the poor and needy patients who are unable to bear medical expenses themselves, and sometimes choose death over life, simple because they don't have another choice. So, under the motto "WE CAN'T LET THEM DIE JUST BECAUSE THEY CAN'T AFFORD TO LIVE", PBS has succeeded in saving dozens of precious lives, and will continue to do so up to its maximum potential.

Alhamdullillah, the event turned out to be a huge success, with a fair share of audience turning up for the wonderful occasion. The people treated themselves to a number of delicious food items, watching the match with their family and friends, and having a good time in general. And as the match ended, the crowd was also treated to a small fireworks show, followed by group photos and selfie sessions.

The entire event was organized with the help of funds collected by PBS itself, and all the amount earned, Rs. 72,000/- to be exact, was used solely for the purpose of helping the needy and deserving patients.

PATIENTS FUNDED SO FAR

The following patients have been treated under the core of PBS, by the Grace of ALLAH Almighty ﷻ

PATIENT NAME	AMOUNT (IN RS/)
MUHAMMAD ASGHAR	1595

Charity Event @ Patient Benevolent Society, Sheikh Zayed Hospital, Lahore

شكرا الحفد لله

Patient Benevolent Society is completely a charity and self-based initiative taken by the faculty, doctors and MBBS students at Sheikh Zayed Hospital, Lahore.

Aim is to follow the "Holistic Approach" of patient care and create awareness among masses in order to facilitate the needy patients by awareness and fundraising programs.

I would really like to thank the ambitious young ones for giving me this opportunity to help them. Jazak ALLAH.

The event was also sponsored by Midnight Munchies, who were kind enough to arrange free food for the stalls, and also acknowledged the efforts that the team of PBS had put in. The entire sum earned due to the graciousness of Midnight Munchies was also donated to charity.

Here, a small part of this *US* wants to share their experiences and emotions with you, and pay their gratitude to all the contributors out there.

We want you to know that we are not the only volunteers here, and we are not just a mere team working under the umbrella of PBS, but we are a lot more. The smile that spreads on the face of a worthy receiver is multiplied a dozen times when we see it reflected on our own faces, and we are here to ensure that this chain does not stop.

AMEEN!

The preparations began early in the morning; with carpets and chairs and sofas being placed in the lawn, in order to seat the audience and the Chief Guests. A huge screen was also arranged, along with music and lights system, and a number of food stalls. The entire preparations were done solely by the members of PBS, from carrying and placing chairs and desks in the lawn to decorating stalls and preparing delicious food, despite the hot weather, all in the name of charity, in the name of love for The Almighty's creation, in the name of humanity.

PSL FINAL SCREENING

“Babar Ali attempts to slug Hasan Ali’s delivery away across the line, but only manages to connect with a whole lot of thin air. The off stump is tilted back, dismissing Quetta Gladiators for a mere 90, making Peshawar Zalmi Champions of PSL!”

As these words echoed around the College lawn and the players on screen rushed to the pitch to celebrate their victory, similar scenes unfolded here in SKZ, with the audience joining in with the celebrations; the boys dancing and chanting slogans for their teams, the girls clapping and cheering their teams on. It was, indeed, a night one remembers for ages.

This magnificent night was made possible by the collective and brilliant efforts of The PBS Team. Keeping in view the enthusiasm for Cricket that the people here possess, PBS decided to organize the screening for PSL Final held in Gaddafi Stadium, March 5th, 2017.

DONATIONS FOR FEBRUARY

PBS Council started charity drive last year with the help of some students. Laying the foundation of this society has been the work of a mastermind, a philanthropist. And this society has proven its worth no matter what the circumstances. Having said that, I would like to thank all the people who have donated their money for the aid of this society. For the aid of restoring humanity, everytime a patient deserved some help.

For instance, in the month of February, the donations that were collected from all the classes were:-

FIRST YEAR	Rs. 10,500/-
SECOND YEAR	Rs. 15,860/-
THIRD YEAR	Rs. 9390/-
FOURTH YEAR	Rs. 3200/-
FIFTH YEAR	Rs. 6510/-

Alhamdulillah, we have been bestowed by The Almighty with such generous souls. And we, as a team, as good humans, really hope that we keep receiving such donations in the future too.

InshaALLAH.

EXPANSION INTO HOSPITAL

PATIENT BENEVOLENT SOCIETY of SZH, was officially established on 28th May, 2016. It started in the hospital including a few prominent names among the faculty, Residents and House Officers. There are 23 Departments working at Sheikh Zayed Hospital, and PBS covers all of them, Alhamdulillah.

Since its inception, it has earned its name through the unbound, limitless and untiring efforts of the PBS Hospital Council. Medicine Department SZH was the pioneer in making its hospital council among clinical and non-clinical departments working at SZH. There are more than 50 doctors working with PBS, with the number increasing day by day, Alhamdulillah. PBS has become a name of trust, a symbol of hope and an icon of relief for the poor and deserving patients in this hospital.

EXPANSION INTO ALLIED SCIENCES

It is evident that the donor pool is not enough to fulfil the needs of Medicine, Blood and other necessities of every single deserving patient. So, The Core Team of PBS decided to expand this network to the students of Allied Sciences. This decision was met by an excellent response in the PBS elections in the month of March. The display of passion, and the will to serve the people by the newly elected members was quite commendable.

MLT Elections held in March, 2017

A few prominent names from the respected faculty members include;

- PROF. DR. FAREED AHMED KHAN,
 - PROF. DR. SAADIA SHEHZAD ASLAM,
 - DR. AYESHA HUMAYOUN,
 - PROF. DR. ASLAM KHICHI,
 - DR.HAROON JAVED,
 - DR. IMRAN ANWAR,
 - PROF. DR. SUHAIL,
- to name a few.

Soon, we are going to expand it up to the new batch of House Officers, who will join PBS from May 1st, 2017.
InshaALLAH.

MAKING OF ALL TEAMS

To ensure transparency and proper functioning of the society, a number of different teams have been assembled, with each team catering to a particular need of the society, thus ensuring that PBS can work to its maximum potential, and can tackle any problem it has to face.
